

New Family Support Liaison Worker

Please click on the link to read the [introduction letter](#) from our new Family Support Liaison Worker (FSLW)

Email Updates

Committed to be better communicators:

The high school is striving to make parents aware of schedules, events, and general information that affects our student population in a timely manner. To aid in this goal, we are sending out more and more information via e-mail. We have about a 75% success rate of e-mail addresses that are working for us but would like this number to be higher. If your e-mail has changed, you recently have a new one you would like to share for this purpose, or have never supplied this information and would like to receive our communiques, please call our office with the email address. Please be assured that this information is not shared to any one for any other purpose.
