# 2019-2020 Fees

Fees will be available online for payment on your PowerSchool account after August 28, 2019. New fee this year is \$20.00 for each student:

**Division Technology Fee:** This fee will support internet access demands in schools within the Division and enhance corresponding protections for students. Also contributes to the costs associated with software designed to enhance student learning such as (but not limited to) assistive technology software, self assessment tools, creative publishing and charting tools.
