March 2020 tjshs@blackgold.ca

Ganton Gazette

Well we are into the second half of the year now and with that comes a couple of changes. We enacted our cell phone policy on February 3rd. So far our teachers believe it has greatly impacted attention and work productivity in classes. We will be reviewing the policy at the end of February and again at the end of the second semester to make any changes. If there are any changes we will inform everyone prior to enacting them.

There is one other change that we will be making for next year and that will have to do with the graduation ceremony. Thorsby High School is going to run the current years grad as they have always done in the past. Next year will be the first year that the school will organize only the Academic ceremony (handing out diplomas, valedictorian speeches, etc.). That means that the supper and everything that accompanies will be left to a parent/student committee. This committee will still have a Black Gold staff member to ensure some aspects are followed in an event that is linked to a BGSD school, but they won't be responsible for finding/organizing fundraisers for that aspect of graduation.

Just a quick reminder for our grade 7 and 10 parents. You should have received a piece of mail from the Government of Alberta to ask you to complete the Accountability Pillar survey. If you haven't done so already please complete that survey as the data that we get from said survey can help the school in developing goals for our three year educational plan. The deadline to complete the surveys is this Friday, March 6.

Also grade 10-12 parents, you should have received a letter last week that is a credit check and a detailed academic report so that you can track your students progress. If you did not receive this letter please contact the office.

Ganton Gazette, continued

Since both my wife and I are in the teaching profession we didn't have our lives together at the end of January or since the beginning of February to actually get a new photo of all our children together here is a picture of our family at Christmas time where obviously Lewis did not want to be involved.

P.S. I have failed miserably so far in my New Years resolution of getting these messages to Mrs. Raugust in a timely manner.

Thorsby Minor Soccer

Registration Nights:

Wednesday February 26th and
Thursday March 12th

5:30—7:00 PM

in the Thorsby Recreation Centre Lobby

Forms can be dropped off at the Thorsby Rec Centre
Emailed to thorsbysoccer@gmail.com,

Mailed to Thorsby Soccer Club, Box 613, Thorsby, AB, T0C 2P0
or brought in on either Registration night!

Contact thorsbysoccer@gmail.com for more information!

HOT LUNCH PROGRAM

TJSHS is partnering with Thorsby Elementary School to offer hot lunches to our students who are interested. The program is run every Tuesday and Friday (or Thursday if the Friday is not a school day) Cost is \$3. Money is collected the day of the hot lunch when orders are collected. Orders are due at 9:00 am and will be delivered to the school at 11:30 am. See the menu in this newsletter.

Thanks so much!

A Big Thank You!!! To the parent and staff
volunteers for making our Valentine's Day
Dance a success!

thank
you!

Thanks so much to Sharon Loyek for her donation to our art program! She donated paint brushes, acrylic paint, glue guns and sticks and a huge assortment of artsy glittery stuff! Our art students are very appreciative!

Grad Fundraiser

The Grads of 2020 have discount cards available for purchase for \$20.00. In addition to the coupons on the front of the card, there are a number of discounts for businesses in Thorsby and Leduc.

- *Bilar's Garage
- *Bangz Hair Shop
- *Pet Necessities
- *Sam's Balloons
- *Kollbrook Esso
- *Thorsby Hotel Bar and Grill
- *Royal Care Pharmacy

Available at the Office or from any grads. Cards expire December 31, 2020

Memorandum

March 3, 2020

Dear Alberta school staff and parents/guardians of students

Subject: Novel Coronavirus

I am writing again to update you on novel Coronavirus (COVID-19). We know that Albertans, including school staff, students, and parents, continue to be concerned about this particular coronavirus. It is important to remember that the current risk of exposure in Alberta is low. There are no confirmed or probable cases of COVID-19 in Alberta at this time.

To do our best to keep the risk of COVID-19 low, Alberta and other provinces are providing advice based on the best current evidence and guidance from the Public Health Agency of Canada. Please read the following information for recommendations that apply to you and your family.

Have you or your family been in Iran or Hubei province, China in the last 14 days?
If yes, we recommend the following:

- It is best for anyone who traveled from Iran or Hubei to self-isolate (stay at home, not going to school, work, or social gatherings), even if you are feeling well, until 14 days have passed from your last visit to Hubei province.
- This advice is focused on travelers returning from Iran and Hubei province as the risk of community transmission is currently considered to be the highest in these places.
- You should also closely watch for symptoms like fever, cough, or difficulty breathing in any family member who has been in Hubei province in the last 14 days, and call Health Link 811 if any of these symptoms begin.

Have you or has anyone in your household returned from any other parts of mainland China, Hong Kong, Japan, Singapore, South Korea or Italy in the past 14 days?

If yes, we recommend the following:

- Anyone who traveled to mainland China, Hong Kong, Japan, Singapore, South Korea or Italy in the past 14 days should monitor themselves daily for symptoms like fever or cough (with students getting help from their parents) up to 14 days after their last visit.
- If, while you or your family members were in mainland China, Hong Kong, Japan, Singapore, South Korea or Italy and were in contact with someone who was

diagnosed with the novel coronavirus, or were in a health care facility, please call Health Link 811 to talk about your possible exposure and to get information on any other measures you may wish to take.

- Although the most likely cause of symptoms like fever or cough is a common virus, like influenza, if someone who traveled to mainland China, Hong Kong, Japan, Singapore, South Korea or Italy in the last 14 days feels sick, they should stay home and away from others, and Health Link 811 should be called to talk about any need for testing and follow up.

Have you or has anyone in your household returned from anywhere else outside Canada in the past 14 days?

- If, while you or your family members were outside Canada you were in contact with someone who was diagnosed with the novel coronavirus, or were in a health care facility, please call Health Link 811 to talk about your possible exposure and to get information on any other measures you may wish to take.

We are still in influenza season in Alberta, so to minimize spread of any respiratory virus, for all families we recommend the following:

- Make sure everyone in your household washes their hands with soap and water often. If soap and water are not readily available, you can use alcohol-based hand sanitizer, if hands are not visibly dirty.
- Avoid touching your face with unwashed hands.
- Use a tissue when you cough or sneeze and throw it in a garbage bin lined with a plastic bag. Wash your hands immediately after that. If you don't have a tissue, sneeze or cough into your sleeve.
- Stay home if you're sick. If your kids are sick, keep them home from school.
- Clean and disinfect surfaces that are used often and shared by everyone in your home.
- Travelers should always check for current travel notices on the Government of Canada website prior to travel.

Many families are planning trips outside of Canada in the next several weeks. If you are planning a trip, before you leave, please consult the Government of Canada travel advisory website at <https://travel.gc.ca/travelling/advisories> to see the most up to date information about any risks you might have on your trip. Make sure you follow the advice above on handwashing and cleaning surfaces whether at home or on vacation.

Finally, while the current risk is low, it is important that we are prepared in case that changes. We are making plans in the health system, should COVID-19 come to Alberta, and you can prepare in your household as well. It is important to remember that most people who get COVID-19 (about 80%) have a mild illness, and don't need medical care to recover. You can make plans for having a lower threshold to stay home from work or school than you normally would with a mild illness, thinking about child care options for sick children that would not put them in close contact with other people. You can also build the healthy habits mentioned above that help protect against all respiratory viruses.

Page 3

It is natural that we worry about new threats to our health, and the best thing you can do if you are worried is to get up to date information from reliable sources such as Alberta Health (www.alberta.ca/coronavirus) and Alberta Health Services (www.ahs.ca/covid). You can also take the preventive steps outlined above, like hand washing regularly, to reduce your risk of infection.

Thank you.

Yours truly,

Deena Hinshaw, BSc, MD, MPH, CCFP, FRCP
Chief Medical Officer of Health

APPROVED - January 8, 2020

School Premises Insurance

School Premises

Coverage begins when the Insured Person leaves their residence to travel to school and ends upon arrival at their residence after school. Coverage also applies during approved and supervised school trips/activities. The full School Premises coverage wording is:

Injury sustained by the Insured Person while:

- (a) in or on school buildings or premises by reason of attending classes on any regular school day;
- (b) in attendance at or participating in any school activity approved and supervised by proper school authority;
- (c) Travelling Directly to or from any regularly scheduled and approved school activity under the direction or supervision of a proper school authority;
- (d) Travelling Directly to or from the Insured Person's Residence and school for the purpose of attending classes or participating in any school sponsored activity.

"Travelling Directly" is defined as "any travel that would take the Insured Person directly to or from his Residence and the school along the most normal and reasonable route without delay or stopover."
