JUNE 2022

Principal's Message

From the desk of Mr. Dykstra

It is hard to believe that it is June already. While many of the health measures of the COVID pandemic have subsided, and the students never had to transition to at-home learning, this year has been anything but normal. Many students are still adjusting to having a regular school routine. Prioritizing learning continues to challenge some students as it was a struggle for them over the past couple of years. It is important that students maintain a growth mindset as they approach the end of the school year. Rather than dwelling on marks that they may not be satisfied with, students can benefit from placing a focus on future growth. Students can be proud of themselves if they do the best they reasonably can as they finish up the year.

While this year has been filled with some challenging moments, it is also important to focus on the positive times we have enjoyed. This year we were able to resume most of our extra-curricular sports and activities. Spectators were allowed to attend many events and we were able to welcome parents into the building again for our final round of parent-teacher interviews. I was especially proud of our grade 12s as they organized several lunch BBQ fundraisers which were appreciated by the students, staff and numerous community members who came to join us. Furthermore, at the end of May, we were able to participate in a great graduation ceremony and celebrate the accomplishments of our grade 12s.

With this being my first year as principal of Thorsby Junior-Senior High School, I have to say that I truly appreciate all the support that I have received from students, staff and parents. The trust you place in our school to provide a safe and caring learning environment, where students can flourish and grow, is not something that we take lightly. This year has been one of the more challenging years I have had working in education, but it has also been the most fulfilling, thanks to the community that I get to work with.

As the year draws to a close, there are a few staff members that won't be returning. I would like to say a big thank you to the teaching staff who are moving to other positions next year. Thank you, Ms. Engler, Ms. Oh, and Ms. Wohlgemuth for your many contributions to TJSHS. Also, I want to say thank you to the educational assistants who will not be with us in September. A big thank you to Ms. Duits, Ms. Forster, Mrs. Mulberry, and Mrs. Mitchell for their many contributions as well.

While there will be several staff changes this upcoming school year, I look forward to our continued collaboration as we work together to support all of our students in their growth and learning. As this is our last newsletter for the year, to the students, do your best to finish this year strong and I hope all of you have a wonderful summer.

Here is a picture of me and Mrs. Jubinville for earlier in the Oiler's post-season run. Next year will be our year.

Counsellor's Message

Counsellor's Message

This spring has been one of the most challenging I've had in a long time. As with every spring I am so excited to see the weather improving, it's even started to feel a lot like summer lately. It isn't challenging because of the kids, who range between happily frolicking on sunny days to frantically stressing about looming exams. It's also not the courses where we are trying to cram every bit of information into the last weeks before summer holidays. This year my challenge is coming from the fact that it is my last June here at Thorsby Junior Senior High School and this school, the staff, students and the community have become such a major part of my life, it's like my home.

I know that the person who is coming here after me will do a great job and will serve all of you well. I will just miss you; parent calls (the good ones and the less than great ones), the kids in the hallways, the updates on all of the things they do outside of school, the staff who have worked so hard with me over the years to make this a really awesome place to be. Change is inevitable, but apparently no one said that it was easy. I am so thankful for the time that I got to spend here and the relationships I was able to build with all of you.

I know my last message was also about gratitude, but that is still my main feeling when I reflect on the past years. I wish you all a relaxing (or exciting) summer, whichever refills your bucket. Be gentle with yourselves, the last couple of years have been very challenging and you are doing the best you can. Summer excitement for some is a new worry for kids who are not looking forward to the security of having school daily. Be gentle with others, they are travelling with bags that no one can see.

Goodbyes are too permanent and too hard, so as usual "Until Next Time!"

Mrs. Engler

As Motorists, you must drive with extra care when approaching a school bus from either direction.

Activated overhead RED lights mean only one thing, "this bus is loading or unloading children!"

When a school bus is stopped and the RED lights have been activated, traffic from both directions must come to a complete stop and remain stopped until the red lights have been deactivated.

Passing the bus when children are loading or unloading is dangerous, illegal and could be deadly.

As Parents, please remind your children to be extra careful when getting on and off the bus. Teach them to always obey the driver's directions and watch for traffic approaching the bus from either direction before crossing the road.
